Good morning Julie. I just wanted to give you the heads up that Della, myself, and Rebecca from the other lab have received summonses for next week from an ADA in New Bedford regarding a civil trial. From what I understand, the defendant has already pled guilty to possession of the drugs and distribution in the criminal trial and now they are trying to seize a house that's in his mother's name and \$36,000 in cash. The breakdown of the samples was as follows:

29.85g of Oxycodone (Rebecca)
39.75g of Heroin (Betsy-primary, Della-mass spec)
0.36g of Heroin (Kate-primary, Della-mass spec)
9.95g of Cocaine (Betsy-primary, Della-mass spec)
49 tabs of MDMA (Dan-primary, Della-mass spec)

I don't think any of us have ever been called to a civil trial before and I just wanted to keep you in the loop in case it becomes a trend.
